## What is the 5G Forum?

DASpedia is back in the Bay area to host its 2nd Annual 5G Wireless Technology Forum on Nov 7, 2019. This event highlights the development, planned, and existing deployments of 5G wireless technology by US Mobile Network Operators (MNOs). The event will bring together professionals involved in wireless network infrastructure (DAS, Small Cells, Macro Networks, etc...) from Northern California and nationwide.

It will be held at the San Ramon Marriott hotel in San Ramon, CA. This is a convenient location for local MNO attendees and industry professionals interested in learning about 5G wireless technology and connecting with fellow professionals.

DASpedia's 5G Wireless Technology Forum speakers are invitation only representatives from Verizon Wireless, T-Mobile, Sprint, and AT&T. The event will include attendees from all major US Mobile Network Operators (MNOs).

Let's Learn, Share, and Prosper!

Come to DASpedia's 5G Congress to learn about opportunities and implications for professionals involved in cellular wireless network infrastructure.

## Who, When, and Where?
